

Brooklyn Area Basketball (BAB) TOURNAMENT RULES

1. All teams need to arrive 15 minutes prior to the estimated start time of each game.
2. **Good sportsmanship is a MUST.** We expect all teams, coaches and parents to be courteous to all other teams, coaches and referees before, during and after tournament games.
3. Only the head coach can be standing in the bench area; with one assistant coach sitting on the bench the entire game.
4. The Brooklyn Area Basketball League rules will be strictly enforced during all tournament games, including the equal participation rule. Teams attempting to violate such rules will be first warned and subsequently receive team violations, which could result in a team forfeit, if added attempts are made at violating the rules.
5. The referees of the Brooklyn Area Basketball Committee and committee members have the final say on all game disputes.
6. Official tournament score sheets will be used at all sites. Coaches will need to add team information prior to the start of the game. In the event a BAB committee member cannot keep score, as with regular season games, each team is to designate one volunteer to take on scoring and keeping score.
7. There will be a winner in every game; there will be **NO** ties.
8. The first, second, third and consolation place teams will receive trophies. This is in part to each team successfully winning at least two tournament games.
Note: For some divisions, first, second and third place trophies will only be awarded due to the number of teams involved in the league.
9. **No outside food or drink will be allowed into the school for any given team or individual. ONLY products sold at the BAB concession stand will be permitted on site.**
10. All sites will have a medical bag on hand in case injuries should occur.
11. Have FUN and enjoy the tournament games!
